Committee Interest

As part of your membership, we request that you choose a committee to work on for the coming year. Having member involvement helps to ensure that the guild meets your needs, makes tasks easier and provides more ideas. A brief description is listed below. A separate document is available to further outline the duties of specific committees.

- Program Committee:** Assist in scheduling programs and workshops for the upcoming year and the start of the following year.
- Retreats, Sew-ins & Activities Committee:** Plan and organize retreats and sew-ins. Currently we have 2 retreats (fall and spring) and 9 sew-ins annually.
- Community Projects:** Plan and organize activities for charitable donations; provide ideas and set goals for charitable projects.
- Hospitality:** Plan social events for the guild, including but not limited to the Holiday party in December and the End of Year party in June. Assist in welcoming new members and guests.
- Guild Challenges:** Identify 2-3 challenges annually and organize activities for guild members to participate in fun challenges and activities.
- Communication & Social Media Committee:** Assist the guild with photography, marketing, social media (Facebook), website management and other outlets as assigned by the guild.
- Fundraising:** Organize events to assist in fundraising for the guild, including but not limited to raffle quilts, garage sales, quilt shows, etc.
